To the County Clerk,
County site, Randolph Co.,
North Carolina,

My dear Sir:-

Would you be kind enough at your odd times to make a search of the records of Randolph County in your Deed Book for John Collier and forward me copy of this will. You can look from the date of the beginning of this county, advising me what date, up to 1800. We are trying to trace up a little geneology of the Collier family.

Please send me the bill for the time you consumed in this search.

Yours very truly,

DCC/PR
